Thursday 20th July 2017

Regency Hall Saundersfoot at 7.00 p.m.

Looking Forwards - and Backwards

PSEEG's final meeting will be looking **forward** with a talk by **Janet Roberts (Chair of PSEEG)** on **'Our Changing Climate'**. This is the most pressing problem of our time.

Following the talk the Group will take **'A Short Walk Down Memory Lane'** and **look back** over the nine years it has been active and see what has been achieved in that time.

All members of the public are very welcome to join us whether local residents or visitors.
